Hydra is an engineering and construction firm headquartered in Crawfordville, Florida with branch offices located in Albany, Georgia, El Paso, Texas and Merritt Island, Florida. Hydra is in the US Small Business Administration's 8(a) program and is also an Economically Disadvantaged Woman Owned Small Business, certified by the USDOT as a Disadvantaged Business Enterprise and by the State of Florida as a Minority Business Enterprise. Hydra has extensive experience in our field with projects completed in Florida, Georgia, Alabama, Louisiana, South Carolina, North Carolina, Arkansas, Tennessee, Texas, New Mexico, Utah, Nevada and Colorado for both government and private clients.

The company's core team has worked together for over 20 years and are skilled in the execution and completion of projects on-time and on-budget. Hydra has in-house professional engineers, general contractors and construction crews to self perform the majority of our work.
